Integrate Selenium into GitHub Actions

Thursday, March 5, 2026 at 9:58:41 AM

As a user I want to be able favorite listings so I can view them later.

Tuesday, March 10, 2026 at 1:40:23 PM

As a user I want to rate a seller so other users can see what sellers are trustworthy

Tuesday, March 10, 2026 at 1:56:26 PM

SPRINT BACKLOG

As a user I want listings to support multiple categories so that items can be classified more accurately.

Friday, March 13, 2026 at 11:22:15 PM

Show multiple images in details for listings

Thursday, March 12, 2026 at 1:34:58 PM

3. As a user I want to add a username and bio to my profile so that other users can learn more about me.

Friday, March 13, 2026 at 11:22:39 PM

2. As a user I'd like to mark listing as sold to let users know what items or leases are still available.

Thursday, March 12, 2026 at 1:35:23 PM

1. Fix routing with back buttons

Thursday, March 12, 2026 at 1:35:13 PM

As a student, I want to view a seller's profile to see their other listings.

Thursday, March 12, 2026 at 1:34:38 PM

IN PROGRESS

SPRINT 5 - DONE

5. As a user, I want access to a deployed application

Friday, March 13, 2026 at 11:31:27 PM

Members (1): JS Jacob Sullins

- Research AWS Elastic Beanstalk
- Attempt to deploy using AWS
- If no success, deploy as standalone app to download from GitHub

4. As a user, I want listings that I create to be tied to my account

Friday, March 13, 2026 at 11:31:42 PM

Members (1): PN Palwasha Newell

- Update classes, repositories, and controllers to adjust for new User to Listing relationship (1:N)

3. As a user, I want to upload an avatar when I register my account

Friday, March 13, 2026 at 11:31:56 PM

Members (1): NW Nathanael Wolfe

- Update User Class, Register HTML Form, and _LoginPartial to support Avatars

5. As a student, I want to filter listings by category so that I can browse items more efficiently.

Friday, March 13, 2026 at 7:45:22 PM

Members (1): JM Jabari Mitchell

5. As a student, I want to filter lease takeover requests by category so that I can browse homes more efficiently.
